February and March 2024

This is the last update for the Leadership Framework. This stage of the work is ending.

What's next?

The resources created by the Drivers will be tested in different health services in Scotland. The messages developed by the Drivers will be used by the Scottish Government.

Request for Allies

Allies should keep doing what they are doing to support the work and come to the events.

Request for Engineers

Engineers should listen to autistic people and people with learning disabilities and support them in accessing mental health services.

Engineers should come to the events.
